

## **RANJIT PUN**

(Brief Profile)

Matric in 1961 from DAV High School Lakkar Bazar, Shimla

(All 10 years in DAV SHIMLA)

Mechanical Engineering Diploma from Central Polytechnic Chandigarh in 1967

*Sudden liberty in College after strict discipline in the School led me to get casual and careless in the most important 3 years of my education time (1961-64). I had to work very hard in future to make amends for this lost opportunity.*

### **Work**

Military Engineering Services (MES) from 1967 to 1982 at **Ambala, Leh & Shimla** as Superintendent II.

Quit MES to work in OIL & Gas industry in the Middle East.

**Petroleum Development Oman** 1982 to 2005 in **Oman** as Contract Support Engineer or Quantity Surveyor. (PDO is a SHELL Operating Company). It had been a very interesting work which led me to gain experience in almost every aspect of international construction practices pertaining to Civil, Structural, Piping, Mechanical, Electrical, Cathodic Protection, Electrical, Instrumentation, Communication, SCADA, Quality Assurance, Testing and Commissioning. The most satisfying part of the Oil & Gas career was to train and share the work experience with the new Contract Engineers / Managers. It was quite a unique experience to work with diverse and different nationalities.

Punj Lloyd Ltd **Gurgaon** 2007 to 2012 as General Manager (Contracts) imparting training to Contract Engineers / Managers apart from analyzing and addressing the salient commercial & contractual implications.

HCC Ltd **Mumbai** 2013-14 as Contracts Consultant mainly imparting training to Contract Engineers / Managers.
