

VISHWA NATH SOOD

(Brief Profile)

I was admitted to D A V High School in the year 1948. (I remember classes for primary section were being held in JAMA MASJID Middle Bazar, Shimla at that time) and passed out Matriculation in the year 1957 for further studies in Banaras Hindu University with an aim to become engineer. Alas! it was not so. Being there for three years I came back to join S D B College and studied here up to B.Sc.

As it usually happened in Sood community those days, I joined my family's flourishing business of HP Government FOREST LESSEES and worked with a zeal and can say that I was satisfied with my occupation. Now I lead a life of a very content person having Almighty's all the blessings on me and my family.

If it is worth it, I may mention that I was UNANIMOUSLY chosen as Honorary Secretary of SOOD SABHA SHIMLA for the term 2003-2005 (Mr Vijay Kumar Sood of Messers Thakur Bhrata was the Vice- President).
